

How to cut your power bill.

Installing solar helps Queenslanders cut their power bills by up to 65%.

The Newman and Abbott Governments are making it harder for families to slash their power bills, attacking solar and the Renewable Energy Target.

**SAVE MONEY.
SAVE SOLAR.**

**You are invited to
Townsville Save Solar Forum**

6.00-8.00pm
Thursday 22 January
Townsville RSL Club
139 Charters Towers Road
Hermit Park
